These papers relate to the apportionment of the assignments received from time to time from the Managing Body of the Indian Red Cross Society between the Mysore and Bangalore (C & M Station) Provincial Centres.

The Residency has included the Kolar Gold Fields area with the Bangalore C & M Station. It was suggested to the Residency that the Kolor Gold Fields Association should be included in the Mysore Stote centre and the contributions raised there included in the Mysore State figures for making the apportionment. The Residency replied, that os the persons interested in Red Cross work in the Kolar Gold Fields are British subjects, it is unlikely that they would agree to separation from the Bangalore (C & M Station) Provincial Centre and affiliation to the Mysore State Centre. It has now been pointed out to the Residency that the grouping of the Kolar Gold Fields area with the Civil and Military station is opposed to the principle underlying the Indian Red Cross Society Act and that the introduction of such a principle would lead to numerous complications. The Residency has therefore been requested to point out to the Kolar Gold Fields St.John's Ambulance Association the undesirability of affiliating the Kolar Gold Fields Red Cross Centre with the Bangalore (C & M Station) Provincial Centre and to refuse such affiliation for the Red Cross Centre or cancel it in case it has recently been allowed.

I submit the papers for His Highness' gracious perusal.

In the present Residency letter with which the amount representing the Kolar Gold Field's share of the assignments has been sent for disposal points out that there is no illegality in such Branch Associations formed by British subjects domiciled in

(2) As regards the disposal of the amount representing the Kolar Gold Field's shares it is seen that the Executive of the K.G.F. area are prepared to allow their share of the fund to go to the Mysore organisation. But it has been pointed out by the Resident that the contribution to "Our-day" fund was practically all subscribed by the employees of the Mines and therefore would therefore have been equitable in handing over the whole amount representing the Kolar shares to the Kolar Branch for being spent on welfare work in the Mining area. In this connection it may be noted that the total contribution from the K.G.F. is Rs. 27,856-0-0

The Residency has now accepted our contention that the in dividing the receipts for the Indian Red Cross Society according to the proportion of the contributions to the "Our day" Fund, the subscriptions to the latter Fund received for the K. associations in the matter.

(5) The Resolution has now raised another important issue. It is contended in the last letter that the H.K.S.J. St. John's Ambulance Association is something like a private social club that it can politely applicated to Madras as the Bangalore or the Provincial centre as it likes & that it is affiliation to the Bangalore or the Provincial centre has been sanctioned by the Hon'ble H.K.S.J. St. John's Ambulance Association. A reference to the rules of the above Association shows that this contention is altogether untenable. Under Rule 27 (vide enclosure to the present Resolution) a Provincial Centre comprehends "certain administrative areas, Districts or Areas" and there are two administrative areas in Madras, viz. the Bangalore District and the rest of the Madras

Serial No.

Mr Bangalore (Civil & Mil) Provincial Centre has no right to have affiliated to it an Amateur unit K.G.F. which is outside the administrative area. There might however be no objection to this if there was no Mysore Provincial Centre to which the K.G.F. Unit could be affiliated. It appears to me therefore that the action of the Bangalore Centre in accepting such affiliation, & the Main Head quarters in sanctioning it is open to objection and that the matter should be taken up at once by the Government of India (H. H. The Maharaja is ex officio Vice-President of the Main Body) but also by the Mysore Provincial Centre.

Point is there is a Mysore Amateur Unit requisitioned for this

Dated Bangalore. 6th June 1921.

SIR,

I am directed to invite your attention to the second Schedule of Act XV of 1920 (an Act to constitute an Indian Red Cross Society) and to Section 8 of the Act and to say that the Managing Body of the Indian Red Cross Society has allotted for the current year a sum of Rs.2,250/- for Mysore to be distributed between Mysore and the Bangalore(Civil & Military Station)Provincial Centre. 2. It is proposed, following the method adopted in the Second Schedule of the Indian Red Cross Society Act, to apportion the sum of Rs.2,250/- in the proportion of the contributions made by the respective places for the 'Our Day' Fund. The following figures which have been extracted from the records of the Secretary of the 'Our Day' Fund show the

Dated Bangalore, 22nd November *1921.*

SIR,

I am directed to acknowledge the receipt of your letter No.406-Pol, dated the 10th November 1921, stating that the Durbar concur in the proposal to apportion the assignments received from time to time from the Managing Body of the Indian Red Cross Society between Mysore and the Bangalore (Civil and Military Station) Provincial - Centre in the proportion of the contributions made by the respective areas for the "Our Day" Fund and to say that arrangements will be made to pay to the Durbar a sum of Rs.1025/-.

2. As regards the Durbar's suggestion that the Kolar Gold Fields should be affiliated to the Mysore -- State Centre and that the contributions raised there - should be included in the Mysore State figures for fixing the proportions, I am to state that the Kolar Gold Fields were anxious at first to remain separate from any other Centre, but were subsequently affiliated with the Bangalore (Civil and Military Station) Provincial Centre at their request. Practically all the persons interested in

Red Cross work in the Kolar Gold Fields are British subjects. In the circumstances it appears to be very unlikely that they would agree to separation from the Bangalore (Civil and Military Station) Provincial Centre and affiliation with the Mysore State Centre.

The Secretary to the Hon'ble the
Resident in Mysore.

Sir,

Adverting to correspondence ending with your Memorandum No.449 dated 12th January 1922 in regard to the apportionment of the assignments received from time to time from the Managing Committee of the Indian Red Cross Society, I am directed to state as follows:--

'2. His Highness' Government note from your letter No.10134-337-1905 dated 22nd November 1921 that it is proposed to regard the Kolar Gold Fields as affiliated to the Bangalore (Civil and Military Station) Provincial Centre instead of including it in the Mysore State organisation. With reference to this they desire to invite attention to the fact that the scheme of grouping adopted for Red Cross Organisations under the Act (XV of 1920) is territorial. They do not therefore think it desirable or necessary that a departure from this principle should be recognised to the Kolar Gold Fields Red Cross organisation and the same continued to be affiliated to an organisation outside Mysore jurisdiction in contravention of the Act. Para 2 of your letter states that "practically all the persons interested in Red Cross Work in the Kolar Gold Fields are British subjects." This, even if correct, would not I am to say, be sufficient ground for grouping the Kolar Gold Fields area with the Civil and Military

93

Station. Further such an ~~arrangements~~ arrangement raises a new principle the acceptance of which may lead to complications in various other directions. In this connection, I am to add for the information of the Hon'ble the Resident that the Kolar Gold Fields contributions for the "Our Day Fund" were not wholly or even mainly from British subjects. Information at the disposal of the Government shows that out of a total sum of Rs.27,856-0-10 collected at Kolar Gold Fields, a sum of Rs.6,967-0-0 only was contributed by the European community.

~~I am to point out also that a referen~~ It is seen from the papers forwarded with your Memorandum No.448-449 dated 12th January 1922 ~~bea out~~ that the old St. John's Ambulance branches that existed in the Civil and Military Station and in the Kolar Gold Fields have not yet been re-organised under the Indian Red Cross Society Act. At the ~~attempt~~ time of such re-organisation, it ~~xx~~ is only proper that old affiliations should ipso facto ~~xxxx~~ cease and ~~British~~ fresh groupings in consonance with the Act should be - - - arranged.

In these circumstances I am to request that the undesirability of affiliating the Kolar Gold Fields Red Cross Centre with the Bangalore ("Civil and Military Station") provincial centre may be pointed out to the Kolar Gold Fields St. John's Ambulance Association and such affiliation for the Red Cross Centre refused or cancelled, in case it has recently been - - allowed.

While on this subject I am to acknowledge

(84

acknowledge receipt of the sum of Rs.1025/- sent with your letter No.116-337-1905 dated 5th January 1922 and to request that the balance of Rs.426/- due in respect of the Kolar Gold Fields may also be kindly sent at a very early date.

In conclusion I am to add that if the Kolar Gold Fields Centre desire to remain independent of the ~~Mysore Provincial Centre~~ Coorg Organisation, His Highness' Government will ~~take~~ necessary action in this behalf, ~~subject to the usual safe guards~~.

I have &c.,.

RED CROSS SOCIETY.

SIR,

I am directed to acknowledge the receipt of your letter No. 907-Pol., dated the 4th April 1922, regarding the affiliation of the Kolar Gold Fields Centre of the Indian Red Cross Society to the Bangalore City Station Provincial Centre.

2. The European population of the Kolar Gold Fields is reported, before the recent reorganisation, formed into an independent Local Centre for Red Cross and St. John Ambulance work. Under the new scheme of organisation initiated after the war for carrying on St. John work the affiliation of the Kolar Gold Fields Centre to the Provincial Centre in Bangalore has been effected under the auspices of the Association and with the approval of Headquarters. When the question of re-organisation was broached on the basis of the revised constitution communicated in Circular No. 4 of 1922, the Kolar Gold Fields Centre was inclined to constitute itself into a St. John Ambulance Centre dealing direct with Headquarters. An alternative was that they should attach themselves

REV. SECT.
8 FEB 1923

It seemed, however, in view of their propinquity to the Bangalore Civil and Military Station and also of the convenience in working through an adjacent Provincial Centre, that the best arrangement would be for the Kolar Gold Fields Centre to be - - affiliated to the Bangalore Civil and Military Station Centre. This view was adopted by Head Quarters, which sanctioned the affiliation under the Provisions of the General Regulations 27-34 of the St. John Ambulance Association. This, the Resident understands, is the correct procedure, and gives the local organisation a legal standing so far as the St. John Ambulance Association is concerned. The constitution is a matter quite apart from the Indian Red Cross Societ Act, and does not depend upon that Act for its existence. There seems, in point of fact, to have been some confusion between the Red Cross Society and the St. John Ambulance Association. The organisation with which the Residency is mainly concerned is the St. John Ambulance Association which is based on the Regulations already referred to. It may be found convenient to graft the Red Cross Society on to the Association, but that has not yet been effected. was originally intended that the St. John Ambulance organisation shou supply the personnel for the Red Cross Committee at each Centre but this has not been done in the case of the Kolar Gold Field European community. There could presumably be no objection to this as an unofficial arrangement outside the Act, which does not of course appl territorially to Mysore. The rules framed under the Act would permi the constitution [illegible] European branch of the Society affiliated to th Bangalore Prov[illegible] The Red Cross Society is in point of fact, a pr[illegible]stitution[illegible]ce for as the Resident understands the [illegible]ory of a grou[illegible]ore, there is no legal difficulty in th [illegible]onsisted in K[illegible]th, whether Indian or European, branch of the[illegible]n the State, forming among themselve the nearest Prov[illegible] Act and affiliating themselves to [illegible]ere is no real [illegible]stitution of an[illegible] British Indian or Anglo-Indian.

it is a right inherent in Treasury Sanction. As it happens the Europeans of the Kolar Gold Fields area do not wish to form a branch of the Red Cross Society and are prepared to allow their share of the fund to go to the Mysore organisation if any such exists. The amount of Rs.426-9-0 x 425-7-10 representing the Kolar Gold Fields share is accordingly forwarded for disposal. I am to explain that as regards the contributi on it is understood that the sum contributed by the Kolar Gold Fields was practically all subscribed by the employés, European or Indian, of the mines, and there would therefore have been nothing inequitable in making over the whole sum representing the Kolar share to a Kolar branch if formed, to be spent, e.g. on welfare work in the mining area.

Circular No. 4 of 19-20.

DEAR SIRS,

With reference to correspondence resting with our Circular No. 2 of 18-19, dated 24th April, 1919, some of the Provincial Committees have not yet submitted their views upon the proposals for the revision of clauses 27-33 of General Regulations, and this the Executive Committee regret; but as the majority have, and as their replies are favourable (except as regards details more or less of a minor character, which are incorporated as far as possible in the present revision), I am to say that the Executive Committee, to avoid further delay, sanction the introduction of clauses 27-33 as now revised (Enclosure I), with effect from the date of the present letter. In doing so, the Executive Committee desire to express their apprciation of the great assistance in this matter which they have received from Provincial Centres.

Sanction, from the same date, is also accorded to the classification of Centres, Provincial and Local, as now revised (Enclosure II). This classification, however, while representing as a general standard the order and relation between Centres, Local and Provincial and Headquarters, which experience suggests as the one best calculated to secure the closer co-operation so essential for the satisfactory working and control of the Association in India as a whole, will remain open to any modification in special cases that may from time to time be recommended to the Executive Committee as necessary or desirable.

I am to request that you will be so good as to communicate this letter and its enclosures to all Centres in your respective areas.

Yours faithfully,

W. G. A. HANRAHAN.

REVISED CLAUSES 27—34.

As sanctioned by Indian Council.

27. Classification of Centres.

There shall be two classes of Centres, Provincial and Local, the former comprehending certain administrative areas, British or Indian, the latter such District, State, Railway, Police or other local Centres as may be situated within or nearest to the area of jurisdiction of a Provincial Centre and capable of being administered and controlled most conveniently by that Provincial Centre. Arrangements for the Army will, as far as possible, be on similar lines.

28. Establishment of Centre.

No Provincial Centre shall be established without the consent of the Indian Council, which consent shall only be granted on application in a form provided for the purpose, signed by the official head of the Province. No Local Centre shall be established save on the recommendation of a Provincial Centre (where one exists), such recommendation being forwarded for confirmation by the Indian Council. The latter will supply the necessary form of application to Provincial Centres, and will, on confirmation of the recommendation made, register the Local Centre and forward a Warrant of Constitution. Local Centres so constituted will be subordinate to the Provincial Centre. Where no Provincial Centre exists, application should be made direct to the Indian Council. It shall be within the competence of the Provincial Centre to recommend to the Indian Council the closing of any Local Centre subordinate to it, and the withdrawal of the Warrant of Constitution.

29. The Centre Roll of Members.

Attention is invited to paragraphs 9-12. A list of Members (to be known as the Centre Roll of Members and for which special Registers are available on application to the General Secretary, Indian Headquarters) containing the names, addresses and occupations of the Members of the Association who reside within the area for which any Centre is constituted, shall be prepared and kept by such Centre in such manner as the Council may from time to time direct, and no Member of the Association whose name has not been entered in such list shall attend or vote at any meeting of such Centre. The Centre Roll of Members shall also contain against the name of each Member particulars of—

(*i*) Date of enrolment.

Of the 55 per cent. remitted to a Provincial Centre, the latter shall retain a proportion of five to six and shall remit the latter proportion to Indian Headquarters. When the collecting Centre is itself a Provincial Centre or of that status, or is not subordinate to a Provincial Centre, it will remit the whole of the 55 per cent. to Indian Headquarters.

A balance sheet or statement of receipts and expenditure to September 30th shall be submitted as laid down in paragraph 30 (*vi*). This must be signed and certified as correct by the Chairman, the Treasurer, and the Honorary Secretary, or if the office of Treasurer is vacant, by one other Member of the Committee.

Sir,

In continuation of this office letter No.Pol.843 dated the 13th March 1923, regarding the Red Cross Society, I am directed to state as follows:--

2. ~~His Highness' Government note from~~ In your letter No.1726/337-1905 dated the 27th February 1923 it is suggested that the Kolar Gold Fields St. John's Ambulance Association is something like a private social club, ~~that it~~ and can get itself affiliated to Madras or the Bangalore Civil and Military Station centre as it likes and that its affiliation to the Bangalore Civil and Military Station Provincial Centre has been sanctioned by the Head Quarters of the St. John's Ambulance Association. With reference to this they desire to state that under Rule 2' of the General Regulations of the Association a Provincial Centre comprehends "certain administrative areas, British or Indian". There are two administrative areas in Mysore viz., the Bangalore Civil and Military Station and the rest of the Mysore State. ~~There might have been no objection to such affiliation~~ if there was no Mysore Provincial Centre to which the Kolar Gold Fields Association could be affiliated or if the Kolar Gold Fields Branch Association was within the administrative area of the Civil and Military Station Centre. It will thus be seen that the action of the Bangalore Civil and Military Station Centre in accepting

[illegible] affiliation, all of the Indian Headquarters in sanctioning it, is not free from objection.

3. In these circumstances the Kolar Gold Fields Centre should be ~~made~~ ~~subordi-~~ affiliated to the Bangalore Centre. I am therefore to request that this may kindly be pointed out to the Head Quarters of the Association for necessary action.

Dated Bangalore, 26 February 1924.

Subject:—

ST. JOHN'S AMBULANCE ASSOCIATION - KOLAR BRANCH.

SIR,

I am directed to acknowledge the receipt of your letter No. Pol.282, dated the 25th September 1923, and to say that the matter is being referred to Headquarters. It appears that the Mysore Government have overlooked the fact that the Kolar Branch is privately organised and administered by Europeans at their own expense and mainly for their own local purposes. They are not subjects of the Mysore State, and when the Mysore St. John Ambulance was started in 1910 the Kolar Branch did not come within the State organization. If the Mysore Government object on principle to the arrangements now made it would perhaps be better for the Kolar Branch to revert to its position as an independent branch. Their work is specialised for the benefit of the mining area and they would perhaps find it inconvenient to associate themselves with the general ambulance work in the State.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.

My dear Kuppuswamy Iyengar,

I have just received your letter No.G.12533 dated the 8/10th March 1924 regarding K.G.F.St. Johns' Ambulance - Association. As I was aware of the previous history of this case, I addressed myself to this soon after my arrival here.

My first attempt was to get into the Association with the other Government officers and Indian gentlemen and - convert it into an Association for the whole Sanitary Board area and not merely for the Mines, but it was found unworkable. Next I got up a meeting in order to organise a separate St John's Ambulance Association in Robertsonpet, and sent up - the proceedings to the Mysore Centre. I got also Ambulance - classes started for Boy Scouts and for Sanitary Board - executive staff, and I have been pressing the Police to select some batches for training. This I would have done on receipt of help from Mysore. But Mysore Centre has not yet sent even the Rules and other printed literature.

Meantime the National Baby Week movement come in, and I was able to bring together Europeans and Indians on a common platform in this connection. The Mysore Centre's contribution was also utilised for this purpose with their kind permission.

Taking advantage of the common platform thus created, proposals to form a Red Cross Branch have now been formulat for the whole area, comprising Europeans and Indians, and application has been made to Delhi to authorise its - - formation. On receipt of authority, this will be the - proper recepient of the K.G.F. share of the proceeds from investments, due to Mysore State under the Indian Red Cross Society Act. The local Red Cross Branch will be affiliated to the Mysore State Red Cross Branch when one is establishe This settles one aspect of the question raised in P.P.155 of 1920.

Next as regards the affiliation of the Mines St - John's Ambulance Association to the Mysore Centre. This - would have been possible (even though Government officers - and Indian gentlemen had not yet joined it) if the Mysore Centre were really active. As you may not be unaware, the Mysore Association has shown little or no activity, and it has had a dormant existence for the past 2 or 3 years. The objection of the local people is to affiliate an active - Association to an inactive Centre. I had explained to them that on political and sentimental grounds, we want them to affiliate to the Mysore Centre; apart altogether from the question of allotments under the Indian Red Cross Society

Society Act. They would have done so by now but for the Mysore Centre showing no work comparable with K.G.F.centre If and when the Mysore State Centre is fully organised - and is active with ramifications in the Railway,Police, Industrial,Forest,Military,Municipal and Educational fields the local centre will, I expect, affiliate with the Mysore State Centre. In the meantime, all I can suggest is that we should keep up correspondence on the one side, and - develop the State Centre on the other.

Anything further is difficult at present, because the St John's Ambulance Association differs from the Indian Red Cross Society. The former is still entirely non-official and is not bound by political and territorial jurisdictions and the provision in Rule 27 is only illustrative and not mandatory.

The Indian Red Cross Society is <u>statutory</u> and semi-official now and it is only in respect of it that we can - raise political issues. You will notice by a reference to - the Secretariat file that the Residency made the reference not because the Government of India acts on behalf of St - John's Ambulance Association but in pursuance of the Indian Red Cross Society Act.

I write this letter informally and without prejudice.

Dear Dr. O' Donnell,.

I have received the St. John's Ambulance Pamphlet re. classes, and a copy of the last year's report of the local centre. Kindly accept my best thanks for them.

I am arranging from the Boy Scouts' Assosciation for the training of four troops of about 15 to 20 boys each in First Aid by qualified Medical Men. I note that such training is accepted as the Junior Course by the St. John's Ambulence Association and I shall cause an -- application to be made separately to your -- Secretary for the appointment of examiners.

I propose also to arrange with the Superintendent of Police to organise 2 Ambulance classes to start with, one in Robertsonpet, and another in Champion Reefs. I shall let you know about this after arranging details. But will it be possible for your Association to give a small honorarium to the Medical men taking thise --

classes only Sub Assistant Surgeons are eligible for joining these classes and they may exercise such supervision through staff.

Home Nursing, Home Hygience and Sanitation classes are even more urgent than First Aid classes. I shall try to organise classes of elders for these subjects and to secure lecturers also. Will it be possible for the Association to give a grant for incidental expenses or lend models, samples, bandages & thermometers etc? Do you want the pamphlet back? If so, I shall return it on hearing from you. Kindly send me in the Association can a copy of each of the leaflets, Ref. No. 1/India, Ref. No. 4/India, Ref. No. 2/India Ref. No. 5/India, Ref. My dear Jurba Rao,

I send herewith a copy of the proceedings of a meeting held in King George Hall, Robertsonpet, yesterday in the matter of the formation of a local centre of the St.John's Ambulance Association at Robertsonpet. We have already 3 First aid classes going, 2 for scouts and the third for Sanitary Board staff. We are anxious to have these classes recognised, and provide for examinations at the end of the courses so that the candidates may qualify for badges from St. John's Ambulance Association on passing. We want also to extend our activities in the directions indicated in the resolutions, and to have at least 3 more First Aid and General Sanitation classes for men and 2 home hygine and sick nursing classes for women. The scope of our activities will be gradually enlarged as public spirit and available funds may permit.

There is a local centre on the Mines but it is affiliated to the Bangalore Civil and Military Station Provincial centre and it has expressed its inability to extend its operations outside the area of the Mining Companies proper, though we expect its co-operation with

with us in every way once we have also organised - and show we are independent of them in the matter of funds.

I have undertaken to serve as organiser of the Centre for the present, and I request the favour of your kindly getting this centre recognised by the - "ysore State Provincial Centre and securing sanction for the very modest but necessary requests contained in Resolution 4 of the proceedings annexed.

Requesting the favour of a very early reply.

I am returning your file re: the St.John Ambulance Association. I hope you will succeed in your endeavours to establish a very useful centre.

The Red Cross is now I believe managed by a Joint Committee of both organisations, but the funds of both are kept separately. The Red Cross looks after the sick and child welfare and comforts for hospitals. In war time it takes on the functions of comforts for troops, the wounded and invalided.

I have no rules, but you can obtain all particulars by applying to Head-Quarters at Delhi.

Thanks for the number of Maternity and Child Welfare Magazi which I shall return in a few days time.

To

N.S. Subba Rao, Esq., M.A.,

Secretary, Mysore St. John's Ambulance and Red Cross,

Mysore.

Sir,

I have the honour to send enclosed for your information an extract from the proceedings of the Sanitary Board, K.G.F. appointing a committee for organising the National Baby Week on the K.G.F. area in January 1924. The programme of the Committee is calculated to include the getting up of a permanent exhibit on Health and welfare work on the Kolar Gold Fields Sanitary area, and also the organisation of welfare work on a permanent basis.

The Sanitary Board will be sanctioning a substantial grant towards the Baby Week, and a grant is also expected from the Mining Companies. While these grants may cover ~~kx~~ the propaganda and organisation expenditure for the Week, the funds will not be sufficient to secure exhibits, and other equipment of a permanent nature, and to provide for the continuance of the work thereafter.

I am therefore to request the Mysore Red Cross centre kindly to place at the disposal of this committee the entire -- accumulated fund at the disposal of the K.G.F. area out of the interest on the "Our Day Fund investment".

Care will be taken to see that the amount is solely spent on objects approved by the Red Cross and welfare organisations and that the balance remaining unutilised as well as the equipment is vested in a permanent organisation formed for the continuance of welfare work after the National Baby Week.

Another committee is meeting next on the 7th ~~December~~ December 1923 and its programme will depend very materially on the help that can be expected from the "Our Day Fund Investment", I am to request the favour of a very early reply.

Dear Mr. Ramanathan,

Your letter No. C, 251/23-24 of the 26th ultimo.

A working Committee has just been formed to manage the local centre, but it has not been possible to arrange for a meeting. I can hardly take it upon myself to promise to make over to you the accumulated share of the amount that is due to the Kolar Gold Fields. I expect that a meeting of the Committee will be held soon after the Viceregal Visit is over. In the meanwhile, I think I may say that you are certain to get this year's share.

I am sorry ~~xxx~~ that the affairs of the local Centre are in such an unsettled condition, but it is five days ago that the list of the new committee members was approved.

My Dear Subba Rao,

I thank you for your kind letter of 3rd December 1928. I placed it before my committee at the last meeting.

Now that the Viceregal visit is over, I am desired to request you to kindly obtain the sanction of your committee and let us have the accumulated interest at the credit of the Kolar Gold Fields very early to enable us to organise a full and complete programme for the National Baby Week and also to create at the end of it a permanent organisation for the entire K.G.F. area, undertaking Red ~~Cross~~ ~~Cross~~ Cross, child welfare and general health and welfare work. I have been able to enlist the cooperation of all classes of the population, and European Ladies with experience of Health and welfare work have kindly agreed to cooperate in the work.

I am therefore desired to request as prompt assistance from the State Head Quarters as possible and convenient.

KOLAR GOLD FIELDS RED CROSS BRANCH.

SIR,

With reference to the correspondence ending with your letter No. Pol.282, dated the 25th September 1923, I am directed to forward a copy of a letter No.807, dated the 7th March 1924, with enclosure, from the Organising Secretary, Indian Red Cross Society, Delhi, regarding the formation of an independent Kolar Gold Fields Red Cross Branch and to request that the Resident may be favoured, as early as possible, with the views of the Mysore Government in the matter.

2. No reply has yet been received from Headquarters regarding the St. John Ambulance Association, Kolar branch.

I have the honour to

Sir,

Your most obedient servant,

Letter No.807, dated the 7th March 1924, from the Organising Secretary, Indian Red Cross Society, Delhi, to the Secretary to the Resident in Mysore, Bangalore.

---:O:---

I have the honour to refer to your endorsement No.1727 dated the 26/27th February 1923, giving cover to your letter No.1726 addressed to the Chief Secretary to the Government of His Highness the Maharaja of Mysore, on the subject of the formation of a Red Cross local Centre in the Kolar Gold Fields.

At a public meeting held at the Champion Reefs on the closing day of the Kolar Gold Fields National Baby Week (18th January 1924) it was resolved to organise a Branch of the Indian Red Cross Society in the Gold Fields, and a Provisional Committee, consisting of the members of the Baby Week Committee was formed to bring into existence a permanent Red Cross organisation. This Provisional Committee at their meeting held on the 14th instant adopted certain rules for the constitution of the Kolar Gold Fields Branch, a copy of which is enclosed for your information, and they have now applied for sanction of our Managing Body to the organisation of a Branch on the lines indicated in the draft constitution.

In view of the fact that no Branch of the Society has as yet been constituted in Mysore State, I have the honour to enquire whether the Resident has any objection to sanction being given to the creation of an independent Kolar Gold Fields Branch. If and when a Mysore State Branch is constituted under the Red Cross Act XV of 1920 it will be necessary for the Kolar Gold Fields Branch to come under Mysore in order to entitle it to receive its proportion of the Head-quarters annual allotment of funds made under section VIII of the Act o failing this, to surrender its claim to any such grant.

If the Resident sees no objection to the above proposal, will you kindly let me know whether the percentage of the Headquarters allotment to which the Kolar Gold Fields Branch is entitled, as stated in your letter quoted above, any be paid direct out of the Mysore State's share to that allotment ?

The favour of an early reply is requested.

Ross and forwarded by the Secretary to the Government of H. H. the Maharaja of Mysore, was embodied in the resolution proposed by the Chairman and seconded by Mr. H.H. Osborn as follows:-

"The St. John Ambulance Association.

Mysore State Branch of the St. John would be prepared to agree, in the event of the Kolar Gold Field local centre coming in as part of the Mysore State Provincial Centre, that *(The Kolar Centre will have full freedom) as regards functioning, conducting classes, sending routine correspondence such as asking for advice from Headquarters direct, subject to the proviso that the Kolar local Centre

To

K. Matthan, Esq., B.A.,
Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honour to state that a K.G.F. Branch of the Indian Red Cross Society has been organised on the Field for "Child Welfare" as a follow-up work of the "National -- Baby Week". A Provisional Committee has been formed and it has been in correspondence with Col. Ross, Organising Secretary of the Indian Red Cross Society. The Committee also met and discussed with him during his recent visit to the Field the questions of: (1) according sanction to the formation of the Local Branch, (2) giving to the Local Branch its share of interest on the amount subscribed from the Field to the "Our Day Fund". He has since written to state (vide copy of his letter dated 22nd August 1924 attached for ready reference) that a Local Branch may be formed and that the Government of His Highness the Maharaja would have no objection to its formation subject to condition that the Branch should be -- affiliated to the Provincial Centre when one is formed.

The Provisional Committee has since met to consider Col. Ross's letter above referred to and I enclose for favour your perusal copy of its resolutions.

I particularly invite your attention to the resolution

on

(19

on the 2nd part of a proposition moved by me and respectfully request you to use all your influence for the return to ~~kix~~ this Branch of any money, being the K.G.F. share of interest on the amount subscribed from the Field to the"Our Day Fund" which has been paid over to the Mysore State Centre of St. John's Ambulence Association to help us in carrying on the -- work of the Local Branch of the Indian Red Cross Society.

I have the honour to be,

S i r,

Your most obedient servant,

CHAIRMAN,

Letter dated Simla, the 22nd August 1924, from Lt. Col. H. Ross, Organising Secretary, Indian Red Cross Society, to Dr. J.D.O'Donnell, Chairman, Provisional Committee, K.G.F. Red Cross Society, Champion Reefs.

Please refer to the correspondence ending with my D.O. letter No.1539 dated 26th of June , on the subject of the request of the Kolar Gold Fields for sanction to the formation of a Branch of the Indian Red Cross Society.

On my return to Bangalore from Mysore, I discussed the relations as between the Kolar Gold Fields, Mysore State and the Bangalore Provincial Centre with the Acting Resident, Mr.Watson. He asked me to put up suggestions to him which I did in a letter copy of which I asked him to send you for consideration by your Committee. I enclose a copy in case you have not already received it, and I should like to know the decision of your St. John's Committee on the proposals made in that letter.

With regard to the request of the Kolar Gold Fields for sanction to the formation of a Branch of the Indian Red Cross Society, I attach a copy of letter from the Mysore Government to the Secretary to the Hon'ble the Resident in Mysore, which indicates that the Mysore Government has no objection to the creation of a Red Cross Branch of the Kolar Gold Fields subject to the conditions that it will be an independent organisation working directly under Head Quarters and that it will get affiliated to the Mysore Provincial Centre if and when this is constituted under our Red Cross Act XV of 1920. I understood from you that you did not anticipate any difficulty in agreeing to these proposals on the Red Cross side.

As the distribution of interest on our capital will be made at a very early date, I shall be grateful if you will let me know whether the Kolar Gold Fields will agree to form a Branch which will be independent of the Bangalore Provincial Centre on the understanding that when such is constituted it will come

22.1.25

With reference to your letter No.3946 dated 2nd December 1924, I have the honour to inform you that consideration of the matter has been in abeyance because I desired to await the return to Mysore of Mr. Mirza M. Ismail, the President of the Executive Committee of the Mysore Branch of the St. John Ambulance Association. I learn that he is not expected here even now, and I am therefore writing to him with reference to the fixing of a date for a meeting for the formation of a branch of the Red Cross Society.

22/1/25

I have prepared a statement of the sums which seem to be due from us to the Kolar Gold fields centre of the St. John Ambulance Association. This statement I wish to send to Kolar for confirmation, for the matter is a somewhat complicated one, involving references to transactions several years old. But before writing to Kolar I must submit the whole file to the President. This file I cannot well send to Bangalore, and therefore this matter must await his return.

"I am directed to acknowledge, with thanks, the receipt of your letter No.177 dated the 13th instant, and to say that the Managing Body have been gratified to learn that a Branch of the Indian Red Cross Society has now been duly constituted in the Mysore State. I am to state that formal registration of provincial centres at headquarters is not necessary as their constitution is authorised by section 8 of the Indian Red Cross Act. With reference to the enquir made in the concluding portion of your letter No.139 dated the 17th February 1925, I am to state that the Indian Red Cross Society and the St. John Ambulance Association should have independant existence though a co-ordination of their activities is essential in order to avoid overlapping. There is no objection to the same body of persons directing both the organizations but their membership and finances should be entirely separate."

Letter No.387 dated 28th April 1925 from the Honorary Treasurer, Indian Red Cross Society, Headquarters, Simla, to the Honorary Secretary, Mysore Branch, Indian Red Cross Society, Mysore.
